

## **HENNY PENNY HATCHING – COVID-19 SAFE PLAN**

### **Personal Hygiene**

- Henny Penny Hatching staff will not enter a venue if they are feeling unwell, displaying symptoms, awaiting COVID-19 results or if they have been directed to self-isolate.
- Henny Penny Hatching staff will use hand-sanitizer before entering and upon leaving each venue.

### **Equipment**

- All Henny Penny Hatching equipment is thoroughly cleaned between uses.
- Once the equipment has been collected at the end of each program, a Henny Penny Hatching staff member will use an alcohol wipe to wipe down the table on which your hatching unit has been sitting.

### **Social Distancing**

- Henny Penny Hatching staff members will observe social distancing requirements when interacting with the public.
- Upon our departure, members of the public are advised to continue to observe appropriate social distancing when observing and interacting with the hatching program.
